REFERRALS

Our dental office is always welcoming new patients and are honoured to have our patients refer their family and friends to come see us and provide them with the same great care we take pride in giving you.

Your referral is the greatest compliment we can receive.

As a thank you we would like to show you our gratitude by sending you a gift.

Please take some referral cards and when you do send someone to our office give them the card with your name on it. Please remind them to bring in the card when they come to our office for their new patient, cleaning appointment for you to receive your thank you gift.
